Summary

Time in customer service positions and a lifetime of dabbling in web development culminating in taking formal classes on the subject to prepare me for a career in full-stack development. A strong team player with an emphasis on continuous improvement, both of myself and of those around me. Delivering solutions to customers that they are happy with is always my priority.

Experience

Deli Clerk - QFC

Oct 2018 - present

- Night lead/cook: Trained other clerks on how to properly help customers, clean/stock department shelves.
- Responsible for maintaining adequate food supply within the department.
- Prepared food per hygiene and store protocol
- Oversaw other workplace duties including cleaning, sanitizing.
- Maintained workplace flow efficiently.

Environmental Service Technician - Evergreen Health Medical Center

2014 - 2018

- Very confident in self-directing my own responsibilities such as to maintain floors, walls, windows, fixtures and other furnishings according to departmental procedures within a medical office setting.
- Responsible for creating and maintaining a clean, sanitary and safe environment for patients, visitors and all hospital staff.
- Assisting members of the team as well as patients and their families within the hospital according to their needs.
- Worked well within a team of other night-time environmental services techs to ensure maximum hygiene as is predicted within a hospital
- Maintained a healthy schedule during the day despite working nighttime shifts.

Information Desk Volunteer - Evergreen Health Medical Center

2013 - 2014

- Worked well with a team of volunteers to be the friendly face of the hospital and assist staff, patients and their families in an office type setting
- Responsible for maintaining a clean and organized record of important and necessary phone numbers, greeting visitors, discharging patient via wheelchair or escort, accompanying visitors to patient rooms as well as delivering items around the hospital including lab specimens and gifts for patients to appropriate locations.
- Organized the daily volunteer responsibilities to split between other volunteers and ensure tasks were completed in a timely manner.

Education

High School Diploma - Juanita High School, Class of 2014.

Full-stack web development bootcamp - University of Washington, Ongoing
